mission™
TOGETHER. RESPONSIBLE.

FIVE DOT MISSION

SWEDBOARD® Sustainability

- Sustainability is at the core of everything we do
- Latest production machines
  - Less waste of raw material
  - Low carbon footprint impact

FSC

FSC® C147499
The mark of responsible forestry

- Responsible forestry
  - With our supplier of raw material, we practice forestry based on hundreds of years of human experience, research and political deliberations.
  - Responsible forestry will not be achieved at a certain point in time – it has to be developed constantly.
  - The paper fibre used in our boards are 100% FSC®-certified.

SWEDBOARD®

FIVE-DOT-MISSION

- Corporate ecological commitment is summed up by the MISSION: TOGETHER. RESPONSIBLE.

- The FIVE-DOT-MISSION makes an assessment of a product on the basis of five categories and awards points per category.

- Our intention is to offer our partners guidance with their purchasing decision-making and to provide a transparent system.

FIVE-DOT-MISSION

FIVE DOT MISSION

LOGIC

Rating based on relevant sustainability categories

SIMPLE

Simple and easy to understand

FAIR

Equal weight for the five categories

TRANSPARENT

Presents products and fields of action in a transparent way

UNIVERSAL

Applicable for all products

3A COMPOSITES

SWEDBOARD®

The FIVE categories

FIVE DOT MISSION

1. BIOBASED CONTENT

The percentage of renewable raw materials used in our products.

2. RECYCLED CONTENT

The proportion of high quality recycled raw material in our products' total material input.

3. FOSSIL CO_2 BOUND IN THE MATERIAL

The weight of fossil CO_2 embedded in our panels.

4. PRODUCT LIFE CYCLE

Evaluation of the average useful life of our products.

5. RECYCLABILITY

Options for recycling the panels after they have been in use.

3A COMPOSITES

SWEDBOARD®

Rating system

- As many as **3 points** can be achieved in each of the categories presented, totalling a maximum of **15 points.**

- According to the total number of **points achieved (1-15),** the classification is conducted using the following colour gradation:

1 – 4

5 – 6

7 – 8

9 – 10

11 – 15

Next steps…

FIVE DOT MISSION

- The assessment of the entire product portfolio will be published in 2022
- We will review the product assessment annually to see in which areas the product can be improved

OUR GOAL 2030

Achieving the majority of our sales with products which achieve a rating of ≥ 7 points in the FIVE-DOT classification.
